Kafr Elsheikh – Egypt

EDUCATION

(2018 – 2023)

B.Sc. in Electrical Engineering, Electronics and Communication Department – Faculty of Engineering , Kafr Elsheikh university, Egypt. June 2023, Grade: Good

- **Graduation Project:** Electronically Steerable Antenna using STM32F411CEU6 MCU and 4x4 Butler matrix. I was responsible for designing the PCB layout and schematic using Altium Designer software. I also assisted in the MCU software development using embedded C language. Grade: Excellent

SKILLS

C/C++ | Embedded C | Linux | PCB Design | Arduino | IOT | Git | GitHub | Altium | Proteus | MATLAB | SQL
Python | QT | TKinter | Flutter | Dart | HTML | CSS | JavaScript | PHP | bootstrap | CCNA | CCNP | HCIA
Digital Signal Processing (DSP) | Microsoft Office | Problem Solving | Wireshark | Microcontroller Architecture

PROJECTS

- Portfolio : <https://fawzy.great-site.net>
- Trained on Network Distribution at abu qir power plant - summer 2021.
- Worked as a Freelancer and did some good projects. like an accounting program for a small advertising company using Python and SQLITE calculating all the Income and the Expenses using some data organizing algorithms.
- Web Scraping Projects using Python As asked from clients.
- Made a Smart Home project in my house using esp8266 as a backend server to handle the requests and control the devices. Plus, made a flutter app and a webpage to make the devices control easier. Lastly connected the esp8266 to Alexa to activate using sound commands.
- Made Android flutter Applications Like : Dental clinic records – WhatsApp automation – smart home manager.

COURSES

- **C/C++** Online course from coursera
- **MATLAB** Online course from coursera
- **python** Online course from coursera
- **HCIA** (Huawei Certified ICT Associate)
- **CS50** Online course from edX
- **Linux** Essentials from CyberTalents
- **Embedded Systems** online course from coursera
- **cybersecurity** online course from CyberTalents
- **CCNA, CCNP** online course from YouTube
- **Optical Distribution Networks (FTTH)** from NTI
- **CISCO Cybersecurity** from NTI
- **Soft skills** course from NTI

LANGUAGES

- ✓ Arabic: Native
- ✓ English: Excellent Work Proficiency
